ESLCollective.com

## PAST PERFECT TENSE

The Past Perfect tense in English is composed of two parts: the past tense of the verb to have (had) + the past participle of the main verb.

had + past participle

- |   |                                     |                      |                  |
|---|-------------------------------------|----------------------|------------------|
| + | S + had + past participle + ...     | She had finished.    |                  |
| - | S + had not + past participle + ... | She hadn't finished. | had not = hadn't |
| ? | Had + S + past participle + ...?    | Had she finished?    |                  |

### Use

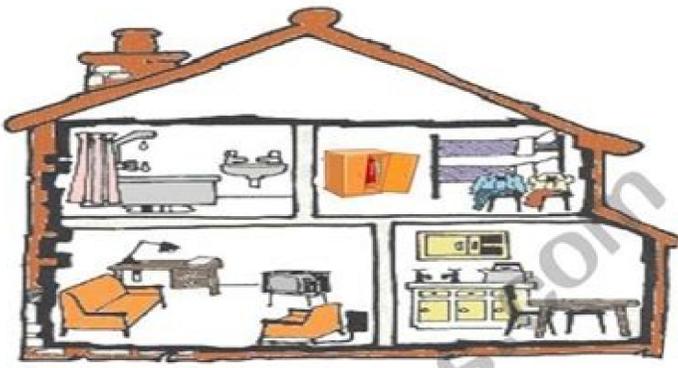

### Example

- |   |  |
|---|--|
| Action finished before another past action                              | Richard <b>had gone</b> out when his wife arrived in the office.       |
| Action happened before a specific time in the past                      | Christine <b>had never been</b> to an opera before last night.         |
| Action started in the past and continued up to a given time in the past | We <b>had owned</b> that car for ten years before it broke down.       |
| Cause and effect (combine with past simple)                             | I got stuck in traffic because there <b>had been</b> an accident.      |
| Emphasize the result of an activity in the past                         | I <b>had been</b> to London twice by the time I got a job in New York. |

### Time Expressions

already, yet, for, since, just, after, before, until, the moment that...

\*Look at the picture. Write **True** or **False** next to each sentence. Correct **False** sentences. Look at the example in number 1.
