Even better, the combo unit earns its keep all year round with a built-in heater that takes rooms all the way up to a toasty 81 degrees, if desired. And its useful features don't stop there. No problem. The COVID-19 outbreak and resulting quarantine reminded us all that it's not pleasant to be stuck at home without a reliable way to stay cool and comfortable. The following Rheem air conditioner manuals are available for download. It's also easy to clean and comes with a remote control to help you perfectly control the temperature in the room. The standard portable AC will need to vent through a window to kick the hot air out of the room and keep you cool. Use the Frigidaire app on your smartphone to turn the unit on before you strut through the doors. You may also need an adapter kit that secures the exhaust hose in the window. Once you secure the window adapter kit and connect the exhaust hose that's included in the package, you'll be able to plug in the unit to have fresh, cold air in the room.
